KORONA

## PREMIUM PACKS

- One and two-piece Mahogany chopping boards are part of our Korona premium accessory sets. The two-piece board fits neatly together and can accommodate the colander as illustrated. Both the one-piece and two-piece boards can be used on the both the bowl and drainer areas of the sink.
- A colander is also part of our premium accessory packs and can also be ordered individually. The glass food preparation board in the premium accessory packs can be used together with the Mahogany boards making it easy to transfer foods easily and hygienically. Alternatively it can be placed separately on the drainer area of the sink.

## BASKET SETS

- Our stainless steel baskets protect your bowl for years to come. Our stainless steel drainers help you to quickly drain your crockery and glasses. We offer items both as sets and individually.

## CHOPPING BOARDS

- In addition to our Premium pack boards we also offer beech and nylon boards which sit comfortably on the bowls of our 1.0 and 1.5 Bowl variants to increase your working area.
